INDEPENDENCE DAY

Indonesian Independence Day was on August 17th. At that time, I watched the state ceremony on tv. After that, I went to my sister's house to see the competition there. On the road, I saw a lot of flags and competitions everywhere.

When I got to my sister's house, my nephew was ready to take part in the competition. The competition was so much fun. The competition was at 10 am.

The competition lasts until noon, we have lunch at 1 pm. After lunch, we went to the Mall that day. At the mall, I bought a shirt and pants. Meanwhile, my nephew bought 2 toys. We got home at 5 pm.
